

## WE NOMINATE

Edward Charles ("Fed") Kopp III, the tireless, unflappable president of the new Princeton Youth Baseball Association, who has brought twelve schoolboy teams and a satellite corps of volunteer managers, coaches, scorekeepers and umpires, plus fascinated parents, through one of the liveliest, most successful summer baseball seasons in recent memory.

Keynoted by the logical principle, "Every boy gets to play," PYBA baseball under Kopp's leadership has meant coaches who watch a boy and show him the game, umpires who take him aside and explain a ruling, and high team morale. When a nine-year-old, after a season of trying to learn to bat, hit safely in a game last week, the whole bench went out to first base to shake his hand.

Some 120 boys ages 9 to 12 played on eight teams at Community Park in the Junior Division. The four-team Senior Division, which ended its first season in a four-way tie, drew 60 boys ages 13 to 15. Rain frequently complicated the tight schedules but postponements were played laithfully to provide as much game-action for the young participants as possible. Only occasionally do forfeits occur when vacation plans of long-standing take precedence.

The competition was keen in the Junior Division with Mercer Engine Co. No. 3 beating out American Legion Post 76 by two games. The Eagles, Sportsmen's Club, Engine Co. No. 1 and the Elks finished next in that order followed by Hook and Ladder and Roma Eterna. Participating in the unusual four-way tie in the Senior Division were Princeton Bank and Trust, New York Life, Thorne's and a team which the PBA itself sponsored.

In his zealous way, Kopp attended four games at sundown every Tuesday and Thursday at Community Park, split his Mondays and Wednesdays between the

high school and the university fields, held managers' meetings, raised funds (a youthful catcher's outfit costs \$85 and wears out in two summers) and supervised handling of the uncountable details of youth baseball. "It was hectic," he says, "but very rewarding and a lot of fun."

Born and raised in Princeton, the 36-year-old Kopp attended Princeton High School for a year and then Hun School where he played baseball, football and was a member of the crew. He attended the University of Richmond and during the Korean war served in the Air Force for four years, including a year and a half in the Philippines as a radio operator in the security service.

He has three children, Stephen, Cynthia and Julia, and with the backing of his wife, Sylvia, has poured his considerable energies into Princeton youth activities. He was cubmaster of Pack 77, and assistant coach of the Nassau Contover team in the youth football league. For the old PBA baseball league, which PYBA has succeeded, he began five years ago as an assistant at the baseball school. He managed the Hook & Ladder team for three years and served as a PBA director.

Last fall, as the PYBA's first president, he began sparking the organization of a senior division. "There was nothing in town for boys this age after they were 12 years old!" This accomplished, his new goal is league play for boys 16 to 18, some of whom now play in nearby towns. And he has an idea for a PYBA Scholarship award at Princeton High School for the boys who come up through the PYBA ranks.

For his warm hearted, cool-headed devotion to youth; for his delight in each boy's progress — and he knows them all; for the enthusiasm he has engendered among the nearly 200 boys who played PYBA ball this summer, he is TOWN TOPICS' nominee as

**"THE CENTER SNARL"**  
Shopping Center Traffic.  
"Traffic inside the Princeton Shopping Center is irritating, but traffic outside is dangerous!" observed a Township resident Monday night to members of Township Committee. Miss Helen Fairbanks of Valley Road asked Committee toward the end of the regular meeting how things were coming in regard to Shopping Center traffic.

Mayor John D. Wallace sighed. So did the rest of Committee.

Lt. Richard Steiner, who is "officer in charge" until the Township gets a new police chief, glomily reminded Committee that the Valley Road Harrison intersection, which serves as the top of the Shopping Center's traffic funnel, has one of the highest accident rates in town.

The new managers of the Center, Harold H. Goldberg & Co. Inc., and the resident manager, Mrs. Jeremiah Farrington, are a lot more eager to help than previous managers have been. Mayor Wallace reported.

But "help" is spelled money, and here's where the difficulty lies, in part, Lt. Steiner, as a matter of fact, thinks the Township may have to go to court to get the Center's owner, George Warnecke, to act.

Under a 1969 state law, a municipality can send its police into an area like the Shopping Center's interior, to enforce traffic regulations. (This is the law that also gave the Township power to require new and better parking on the Center's surface areas.)

However, passing for reconstructed exits and entrances, laying out interior "islands" and pedestrian walkways and planting shrubs, etc. is quite another matter. The cost has been estimated at \$300,000.

A New Study. About a month ago, Lt. Steiner, the municipal traffic officer, Sgt. Anthony Nini and other members of the Center were asked by Committee to study the Center's traffic problems and work out a stop gap solution. Sgt. Nini said this week he hopes this can be ready for Committee late in September.

Why stop gap? Because the full-scale, \$300,000 proposal, spread out this spring before the Princeton Regional Planning Board, was shot down by members of the board and by neighbors of the Center.

**TRAINING FOR A CAREER IN DRAFTING:** Darryl Boone of 12 Birch Avenue is one of a group of young men from this area taking part in a summer work program at Princeton University which will serve as the start of technical careers when they enroll in college. Story in Topics of the Town.

The plan was largely prepared by Herbert Klar, formerly with the state's Motor Vehicle agency and regarded by Lt. Steiner as probably New Jersey's best traffic engineer. Mr. Klar worked with Lt. Steiner and with Frank Quinby, who was Township engineer at the time, and produced the in-depth study which the planning board has apparently rejected, or at least, has set aside.

Lt. Steiner is gamely going along with Committee's request for a stop gap solution, after Monday night's meeting, he said. "A few small changes aren't going to help much." An engineering solution is the only one, he believes.

**Inside Traffic Only.** After the police made their recommendations early this fall, Mayor Wallace and Administrator Joseph R. Nini will discuss the proposals with Mrs. Farrington and the Center's merchants to see what can be done.

"But this is only for inside the Center," warns Administrator Nini. "It doesn't involve exits and entrances and inter-sections."

"We must take the bull by the horns and do the best we can with traffic flow both inside and outside the center," declared Committee member James A. Floyd Monday night. "We've got to get cars in and out with out killing people."

"People stop to mail letters, and then they're in the wrong lane and they contribute to the snarl," she said.

"Those painted arrows on the roadway are hard to see," said Max Blumenfeld, who lives on nearby Randall Road. "Why not hand the signs above and across the roadway so they would be clearly visible?"

When people suggest a one-way exit and a one-way entrance, Mayor Wallace exclaims that this would mean chaos inside the Center itself.

Discussing the problem later, Sgt. Nini mentioned the possibility of a full-time officer at the Harrison-Valley intersection, hired and paid for by the Shopping Center.

He pointed out that a Trenton car-wash pays for exactly this kind of traffic control. The Township police department does have the manpower to spare an officer for this kind of duty, he says.

Meanwhile, some new direction signs have been placed at the roadside to supplement the directional arrows on the pavement, and motorists can only hope the new traffic study makes a right turn.

**WATER RATES UP 17.25%**  
For Borough and Township, Princeton's home-owners will pay 17.25% more for water starting September 1, or soon after.

The state's Board of Public Utility Commissioners granted a rate increase to the Princeton Water Company, but held it to only 14% of what the company hoped it would get.

The new rates will become effective after the company files with the PUC, probably on or after September 1.

The water company serves

### Commended for Heroism

Township Patrolman David T. Potts has been commended for "heroism in the line of duty" as a result of his action on August 9 in mortally wounding an armed burglar suspect caught in a Pretty Brook Road home.

In recommending the citation to Township Committee, Lt. Richard Steiner spoke of Ptl. Potts' professionalism in handling the gunbattle with the burglar and said that his actions protected the lives of the police officers on the job with him.

The other officers, Sgt. Robert Heacock and Ptl. Mario Musso of the Township force, and Sgt. Ralph Proccacio and Ptl. Robert Mucciarelli of the Borough force, were also praised by Township officials.

5,800 customers in Borough and Township with two kinds of meters. The smaller 5-5/8 inch meter — is on smaller and older homes. The average median charge of \$9.16 a quarter will go up to about \$11.20 under the new rate, according to John Kerr, secretary-treasurer of the Elizabethtown Water Company, parent of the Princeton company.

The larger 8-inch meter is on newer homes. Mr. Kerr says, its median average of \$14.16 will go up to \$18.68.

Municipal fire protection service, which has been provided at a flat rate of \$60 per hydrant, will now be \$11 per hydrant.

**Effect to Be Gradual.** "The effect on the individual customer will be gradual," Mr. Kerr explains. "For example, a home-owner who gets his bill at the end of September will be billed for only one month at the new rate."

The last Princeton Water Company increase was in 1965. The company hasn't yet decided whether to appeal the PUC's current action to the courts, according to Mr. Kerr. The appeal must be made within 45 days after the August 14 decision.

The Princeton Water Company had asked for rate increase which would bring in \$25,500 more annually, representing a rate of return of about 10%.

The new rates will only bring in \$11,900 more each year, for a new rate of return of 7.39%.

In presenting its case, the company told the PUC it needed a 10% rate of return to attract investors. Commissioner Anthony J. Grassi said the PUC believes that the company's position as a subsidiary of Elizabethtown will enable it to obtain money at much lower interest rates.

**APARTMENT FOR RENT:** About 280 apartments for middle-income families in Princeton will be built on the 23-acre site shown here. Princeton Community Housing, Inc., the organization formed in 1967 by 18 civic, educational and religious institutions to provide moderately-priced housing, has been given a seed-money planning loan by the state. The land is north of Terhune and east of Mt. Lucas. Dotted lines show proposed access roads.

## TOPICS Of The Town

**HOUSING LOAN GRANTED**  
To Princeton Community Housing. A seed-money loan of \$51,200 has been made by the state's Housing Finance Agency to Princeton Community Housing, Inc. to finance the planning for the Township's low and middle-income apartments. The second half of the Borough's seed-money loan is expected to be awarded shortly.

Mayor John D. Wallace announced the Township's loan Monday night at Township Committee and added, "I'm delighted that we're finally getting on the road we've wanted to be on for a long time."

The apartments will be built on a 23-acre plot which PCH has an option to buy for \$122,000. The acreage, landlocked at the moment, lies between Terhune and Mt. Lucas. (See map)

Plans call for about 280 apartments (two, three and four-bedroom) for the middle-income range of \$5,000 to \$12,000 a year. It is possible that about 50 of the Princeton Housing Authority's public housing units for the Township could be included, bringing the total number of apartments to 250. Rentals have not yet been established.

**Who Will Be Tenants?** The Housing Finance Agency agreed to tenant selection policies.

cies worked out by Princeton Community Housing. Residents of Princeton, people who work in Princeton and people who once lived in the community but had to move away because they could not afford housing, will be given priority. PCH lists teachers, policemen, municipal employees, and hospital employees as those who could qualify.

Construction will be financed under the state's 1967 Housing Act which provides long-term mortgages for these projects. Money is obtained by the Housing Finance Agency from sale of bonds, not from taxes. The mortgage loan is repaid, with interest, by PCH from rental income. The development will pay full taxes to the Township. PCH emphasizes.

Architects for the Township project are Agile, Short and Hall and Morgan Associates.

#### Topics Of The Town

—Continued From Page 3

Buildings will probably be arranged on the site in a cluster arrangement, leaving open space, which will be available for use by the community, PCI officials stated.

Mayor Wallace pointed out Monday night that PCI, just like anybody else, will have to make its way through the usual labyrinth of boards and hearings, including the Regional Planning Board, the Township's site plan review board and so on. "It will not be easy," he warned.

"Let's not emphasize the difficulties," replied Committee man James A. Floyd, who heads the committee's housing portfolio. "Let's hope it won't be long now."

#### TOWER TO APPEAL

Asks Board for Re-Hearing. Like a rejected suitor, developers of the Tower at Princeton are coming back with the same proposal, hoping this time for a "yes" instead of a "no."

But just to make sure, they've got somebody else lined up on the side.

Collias, Uhl, Hovington and Anderson, architect builders, also want to put up the 11 story office building on Mt. Lucas Road. Have asked the Regional Planning Board to recon-

#### A Lot Cooler, Too

The moon that once  
I rhymed with "June"  
Is brighter than  
An August moon.

Bright moonlight, soft breezes, cool nights... sounds more like a travel folder for some far-off land than New Jersey in mid-August.

Obviously, it's too good to last, and it won't. We're heading right back to the steam cooler, and with a possible shower or two to keep the humidity high, we'll stay there at least through Friday. Warm over the weekend, too, as the prolonged dry spell grows longer, with no sign of steady rain on the horizon.

under its 54 "no" vote of Aug. 31.

In addition, the developers' attorney, A. C. Reeves Hicks, has filed with Township Committee an appeal from the Planning Board's decision.

Next Meeting Sept. 9. Planning Board members have scattered for vacation and the board won't meet again until Wednesday, September 9. Committee decided on Monday night not to schedule a hearing.

for Mr. Hicks and the Tower until results of that meeting are known.

The board turned down the Tower largely because members feared traffic problems and ecological damage, chiefly from run-off. In his letter of appeal to Township Committee, Mr. Hicks points out that the Tower meets all current zoning requirements. He contends that, in such a case, it's the obligation of the municipality to cope with whatever traffic increases may develop.

The Regional Planning Board has 14 members, T.B. Fisher, absent because of a death in the family, wrote that he would have voted "yes."

Others absent were Township Mayor John D. Wallace, the board's vice chairman Norman Williams, Gerald Breese and Robert van de Velde.

#### ZONING AMENDED

In Township. The first in a series of amendments to the Township's zoning ordinance was introduced Monday night, with public hearing set for Monday, September 15.

The amendment — 19 legal-size pages long — establishes two Educational Districts, E-1 and E-2, and for the first time sets a height limitation in such zones. The maximum allowed height will be 100 feet, and no building can be higher unless the Zoning Board grants a special dispensation.

The E-1 zone lies east of Alexander Street, the E-2 zone west of Alexander. The E-1 is close to residential areas where the lot size is half an acre, and the E-2 near zones where lot sizes are a full acre.

The Princeton Inn, under the proposed amendment, is shifted from a Business B-1 zone to the E-2 district.

Princeton University's so-called "Project," the World War II vintage complex along Harrison Street, has been removed from an educational zone and made part of residential zone R-5, a half-acre zone. This means that, if the University ever develops the "Project" in a different way, it will harmonize with the surrounding neighborhood.

The R-1 residential zone south and east of Quaker Road and the Princeton Pike and north and west of Stony Brook, has been changed to the E-2 Educational zone. Much of the land is owned by the Institute for Advanced Study.

In these two educational zones, buildings and parking areas are limited to 50% of the land coverage, and buildings themselves can't cover more than 20% of the lot. "Subareas" have been set up to assure even development, so that all the land coverage won't be in one spot.

Copies of the amendment are available in Township Hall.

No Discrimination. Both Princeton now have laws against discrimination in the sale or rental of housing. Township Committee Monday night passed an ordinance identical to the one Borough Council passed last week.

Rough spots, such as when representatives of the complainant before magistrate's court may have to be smoothed out, but Committee and Council will agree that the important thing was to pass the ordinance.

No Parking. An ordinance prohibiting stopping or standing on streets near various schools, was introduced and no-

Topics Of The Town

—Continued From Page 4  
held for public hearing on Tues-  
day, September 8.

No Park? Does the Township really need a park in the middle of Shady Brook? Last spring, many residents seemed to think so, and presented vigorous reasons for the existence and development of Caldwell Park to Township Committee.

After the single bid of \$4,985 to landscape the little park was rejected Monday as too high—Committee had allotted only \$4,000—Mrs. Charles Schroth, 76 Herrington Road, said she didn't think the area needed a park at all.

Caldwell already has a busy baseball diamond, she pointed out, and youngsters in the Shady Brook area of spacious homes, have plenty of room to roam and play. Maybe she suggested, other parts of town need a park a lot more than Shady Brook.

Someone startled, Committee reminded Mrs. Schroth of all the neighbors, plus the Open Space Commissioners, who had sparked the park. She said a lot of people as she did, and promised to get names.

The Traffic Safety Committee would like to ban parking on both sides of Quaker Road between Stockton and Mercer. Too many fishermen clog the narrow roadway with their cars, said Township Engineer Joseph Hodak.

**SCHOOL BOARD MEETS Problems Ahead.** A series of crucial executive sessions of the Princeton Regional School Board has been held in the last week and it is understood that board members opposed to Superintendent Philip McPherson have been considering ways to pressure the superintendent into resigning. Dr. McPherson has tenure.

The meetings, held last Tuesday and Wednesday and this Tuesday, were regarded as so critical that board president John Marks returned to Princeton from a Canadian vacation in order to be present at the first two. All nine board members have been present, according to the report.

Commenting on the meetings, board vice-president William Marvel would say only, "There are problems within the board itself, between board and superintendent and between superintendent and the community. These problems haven't vanished, but we on the board don't want them to be the dominant theme of the coming school year. We

hope the superintendent and the principal of the high school and the rest of the school staff can pull together with the board."

**CAMPUS CURFEW TESTED**

**Eight Are Arrested.** It didn't take long for the youths who gather nightly in front of Nassau Hall to test Princeton University's new curfew law, which was announced last week. Eight of them were arrested last week and were scheduled to go before Borough Judge Theodore T. Tamm, Jr. Wednesday afternoon.

Borough Police were summoned to the campus area in front of Nassau Hall Thursday night by University officials, when 30 to 40 teenagers refused to leave in compliance with the University's new policy of closing the front campus areas at night except to pedestrian traffic.

When police arrived, the youths ran off the campus and congregated outside the lower east gate on the sidewalk. They were told to disperse, but one, Matthew Meyers, 21, of Soffert, N.Y., allegedly refused. He was arrested on a charge of loitering by Borough Police Chief Peter J. McCrohan.

Meyers gave his address as 42 North Edwards Hall, a University dormitory, but it is closed for the summer and the University says Meyers, a senior last year, is no longer a student there. He was one of several students disciplined last spring for disrupting the speech given by Secretary

of the Interior Walter Hiekel, March 5.

As Meyers was being led away, Richard Rutgers, 22, Hartsdale, N.Y., allegedly grabbed Chief McCrohan's arm, and was arrested and charged with interfering with an arrest. The same charge was also lodged against Anton Heines, no address, who allegedly threw a water balloon which hit another police officer, Arthur Jackson. The three were released on \$50 bail.

The next night, Friday, police were again called to the same area at 9:55 when youths refused to leave the grounds.

**News Of The THEATRES**

**WE'RE OFF** — Four Monday nights of Off Broadway productions will be presented this season at McCarter Theatre, and subscriptions are now available at the box office.

**"To Be Young, Gifted and Black,"** Lorraine Hansberry's moving biography, will open the series on Monday, October 5. In this production the late author of "Raisin in the Sun" appears through her own writings, as adapted for the stage by her husband James Baldwin. Miss Hansberry's work, that never before had so much of the truth of black people's lives been seen on the stage.

**"You're A Good Man, Charlie Brown,"** will offer a change of pace on the following Monday, October 12. Snoopy, Lucy, Linus, Schroeder and good ole Charlie Brown himself appear in this "Peanuts" musical, still running off Broadway, in its fourth year. Clark Gesner, Princeton '60 and a former member of the University's Triangle Club, wrote music and lyrics.

**"The Theatre on the Balcony"** comes to McCarter from Prague, which is off Broadway indeed. With its star Lady-day Plafka, it will play McCarter on Monday, October 26. The company consists of 10 name artists, who dance, perform acrobatics and act in a way reminiscent of Chaplin or Marlene.

**"Adaptation/Next"** will arrive for Monday, November 23, under the direction of Elaine May. "Adaptation/Next" is really a double bill consisting of "Adaptation," by Elaine May, and "Next," by Terrence McNally. Advance releases say that the cast of four plays 30, yes, 30's different roles.

**"YOUR OWN THING"** At Open Air Theatre. For its second 1970 presentation at the Washington Crossing (N. J.) Open Air Theatre, Stage Two under the direction of Herb Schapiro, will offer its production of the off Broadway rock musical, "Your Own Thing."

## IT'S NEW To Us

**FOLLOWING THE BOYS**  
Through Zinder's. "This is how Alvin got," the tow head said from behind his bangs as he came to a fast halt along side miniature Tonka trucks. He and a friend were doing some serious browsing Saturday in Zinder's on Nassau Street.

"You can carry it around," he said, and showed his friend the handle on the box. That held a set of four metal trucks.

The pair, about eight years old, darted and hovered like burningshots over such delights as a flatted trailer, power boat models, racing cars and a plastic rocket with wind up blades.

They considered a large-scale model of Case Kennedy, loaded briefly at a plastic hawk called "Locks & Latches" designed for some one much their junior, and drifted back to the models. "Here's a nice one," the tow head said, pointing out a 1953 Chevy.

With their request list mentally noted, the boys passed by the bubble gum they bought 12 pieces of gum, and drifted out onto Nassau Street.

There's an easy ebb and flow of youth through Zinder's on a summer's day. The small boy droms big, attracted by rocket and racing models that a parent will have to help build. "I think that models are made that way on purpose," so that parents have to help," a boy said as he looked carefully at the Aurora racing models. "Tuff Ones," (\$3.69)

An older boy than the tow head recommended Creative Playthings' Telegraph set to his companion. "This is pretty good," he said. "It has off and on switches and lights." The set comes with two telegraph keys, a batch of wire and an instruction book containing the Morse Code. (About \$7)

Zinder's has a "let powered Whirly Bird" for the \$7.95 — out of doors. The big yellow plastic blades hit the helicopter as high as 100 feet when you pull the wind string.

## Leather Is Cotton?

Nevius Voorhees is playing with leather in two ways:

For those who like suede vests, but find them very hot, there's an airy, lattice-weave vest in brown suede that closes at the neck with a double buckle.

Or, for those who can't wear leather at all, a tunic that looks and feels like suede, but is actually pure cotton. The tunic is a young type, held together under the arms by a brief string, and deeply fringed at the hem. (\$39)

(\$189) A boy could show you how.

The power boats that attracted the kids are "Boaterific" models, already assembled, ranging from racing fishers to deep sea fishing cruisers — all about 7" long, powered by A.A. batteries.

And there's a slick Valkyrie I rocket model that the tow head crow over. It blasts to 50 feet in the air, with one and two stage separations and a parachute release. The Valkyrie uses RP-100 liquid propellant. Zinder's has a plentiful, and interesting, supply of toys for pre-schoolers, most of which seem to combine play with learning something tangible. Such as the "Pull-A-Long," which is really a small house shaped like a shoe. As the child toots with the laces, the tongue opens and there's a small family inside — to be saved up until, again as soon as he figures how. Which shouldn't be long.

**"RUM" SHIRTS ARE IN**  
At Nevius Voorhees, O'Veer pleases to wear. Cotton-knit shirts, skirts and pants this fall are a pleasant sort of change of pace. You'll find them at Nevius Voorhees on Nassau Street.

The tailored versions, or "rum" shirts, come in solid colors, with long sleeves, a faintly pointed collar and a narrow tie belt. There are extremely feminine versions, too, such as the creamy cotton, richly gathered below a deep yoke front and back, and held at the waist with a wide suede belt. The sleeves drift full and free from the elbow. (\$28.)

Another such blouse has lots of tucking and frequent insets of narrow, heavy lace, all beautifully made by Glen of Michigan.

And if you think the mid-look is not going to catch on for a while in Princeton, you may be wrong. Nevius Voorhees has been consulting the young things in its mid-skirts of printed cotton quilting. The skirt flows wide from a gathered waistline, accented with a deep ruffle at the hem. You can buy a matching blouse. We noticed a delicate, red primrose print on a black background with little inset stripes. The blouse that is softly ruffled at the wrist and at the high neck. (Blouse \$29, Skirt about \$25.) As a matter of fact, we saw a sandaled girl crossing Vanderwater St. in this outfit, her mid skirt swinging gracefully as she walked.

### It's New To Us

—Continued From Page 8—

pants suits at Nevius Voorhees are uncomplicated and very wearable. You'll see a lovely teal blue, a soft maroon, and some of the earth colors. (About \$85.)

In a heather tweed of sand tones, John Meyer has designed six garments that you can combine in any way you could possibly wish: (1 & 2) a pants suit with a Norfolk belt insert in the jacket; (3) a trim, slightly flared skirt; (4) a vest, cut rather long; or (5) a dress-tunic to combine with the pants or the skirt, or to wear alone. There's also a (6) sleek mid-length coat, double-breasted with a marvelous flare to the skirt.

Pants suits at Nevius also include soft knits with sashed belts and shiny wet-look insets; and, for a beautiful hostess, rose-colored polyester with the top shaped by two engaging side pleats that flare below the rolled tie belt. (About \$40.)

Most of the fall dresses are of polyester — you just wash them and hang them up. We saw a quiet Aztec print in a knit, the colors were black-on-beige, and the dress breaks into box pleats about 12" above the hem.

### Meters Threaten P.J.A.B.

To the Editor of Town Topics:  
Your August 13 report that "ordinances setting up metered parking for commuters" were passed by Borough Council is misleading because it does not tell the whole story. To avoid creating a false impression, you should have said ordinances were passed "requiring rail service to Princeton."

Parking meters at Princeton station will cause commuters to drive to Princeton Junction or to take the bus. Lowered train patronage will give Penn Central justification for abandoning the branch and putting the right of way up for sale. The University would like to acquire the property and the bus company would like the extra commuter business.

The ordinances thus admirably serve these three special interests, but they totally disregard the needs of the public. In addition, this maneuver is woefully short sighted. If the environmental crisis continues to worsen at the present rate, even bus travel will be severely curtailed within five years. The electric train is the only mode of transportation consistent with objectives for a beautiful environment.

If there is no longer train service here, Princetonians will simply have to stay home unless they have the stamina to walk or bicycle to the Junction. While there is still time, therefore, we should be encouraging rather than discouraging patronage of rail transportation.

If operation of the branch line could be sustained through the current transitional period, we would find that we had preserved an invaluable community asset. If we lose rail service, we'll never get it back and we'll never finish paying the penalties for our lack of vision.

### Let's Hire Meter Maids.

To the Editor of Town Topics:  
Refuting Princeton's growing drug problem to police department size, limited budget, insufficient equipment, and too few detectives begs the real question of how effectively present police department personnel are used in surveillance and apprehension.

Any day in the Nassau Witherspoon Street area one may observe a competent, trained police officer busy at the demanding task of ticketing parking meter violators. No more than a hundred yards away, pushers ply their trade and users state emphatically into space. Does parking ticket revenue have a higher priority than narcotics prevention?

Let's hire Meter Maids and

### Battlefield Park "Sacred."

To the Editor of Town Topics:  
I devoutly hope the Institute for Advanced Study can be dissuaded from building a mess of houses on the Weller Tract.

To Princetonians and many citizens of the State, this is sacred land. In this area, the beginnings of Princeton were made.

It belongs by rights to the Battlefield Park. Cannot the Institute find another suitable tract on the approximately 500 acres of land it owns?

WILLARD THORP  
128 Nassau Street

free our police to apply skills acquired at the Police Academy and other law enforcement courses. How many hours per month do these officers spend writing parking tickets? Would Meter Maids free three or four men for full time constructive work with youth?

Across the country communities large and small use Meter Maids successfully. Why not Princeton? Put these ladies on a commission basis and revoke from \$1 parking violations will increase. Most of the metered areas could be patrolled on foot, or at the very least on motor scooters.

### Community Pools Appreciated.

To the Editor of Town Topics:  
This summer is nearing a close and I would like to take this opportunity to thank everyone at the Community Pool for a most enjoyable relaxing summer. This was our second year as non resident members.

We thought last year was very well run, but this year seemed to be exceptionally well run. Both children have learned the correct way to swim and only quarrel as to who has the better instructor, Ann or Jo Ann.

Especially, I would like to commend the lifeguards who are always on the job. Each has his or her own way of reaching a child and always courteous and obliging to the "over 30" set.

I realize there are many behind the scenes who do as much to keep the complex running smoothly and my appreciation to them also.

I have found that safety prevails in every phase of the operation which of course takes a burden off my shoulders as far as my children are concerned, and therefore, allows me time to relax and enjoy myself outside. For all of this I thank this year's managers who in my opinion did a superb job.

## Joint Purchasing Saves Taxpayers' Money

### BUSINESS In Princeton

Three can live cheaper than one, especially when it comes to buying about a hundred thousand gallons of gas for the family cars.

Borough, Township and the Princeton Regional Schools have been pooling their pennies to buy the things they need to run the store. The savings they have made mount up to a tidy sum in taxpayers' money.

Township and schools are buying together the 66,000 gallons of gasoline they will need in 1970. Last year, the Board of Education saved \$325 by joint gas purchase with the Township says Ronald Novak, who is in charge of accounting for the schools. Buying alone, Mr. Novak had to pay 15.7¢ a gallon. Pooled with the Township, he only had to pay 13.8¢.

Robert Mooney, Borough Administrator, says the Borough couldn't get in on this deal at the time because its

own contract with a gasoline supplier was still in effect. The Borough will join Township and schools in a three-way purchase plan as soon as possible, Mr. Mooney promises.

Office Supplies Next. Office supplies may be the next big area for joint buying and savings. Joseph R. Nini, Township Administrator, has his eye on the schools' printing set-up. Starting with the multiunit equipment in the basement of the schools' Stony Brook Administration Building, plates can be made in Trenton for letterheads, report forms, purchase orders, memo forms and the like and Mr. Nini thinks the Township could save here.

Mr. Mooney says that although he already gets a nice discount—30%—on mimeograph paper, he thinks he may tie in with the schools' purchase. For any school system, of course, the volume of paper purchase is enormous. Mr. Novak has a list of both Administrators a list of office supplies they might want to buy with him.

For many years, Township and Borough have joined to buy traffic paint, the kind used to make yellow curbs and such.

Equipment? This summer, Township and Borough have been borrowing the schools' lawnmower, just like any next-door neighbor. It's used by the Township to cut Community Park grass and in return, the Township does maintenance work on the mower in the municipal garage.

The Borough borrows it to mow Marquand Park, and pays a rental fee to the schools.

Looking at it Both Ways. In private life, Mr. Mooney is a Borough taxpayer and Mr. Nini a Township taxpayer and both say, with feeling, that it's foolish to buy a piece of equipment like a mower if the schools already have one.

Unfortunately, some expensive things like electric typewriters are tantalizingly out of municipal reach. The schools, as an educational institution, get a good rake-off on typewriters which they can't share with anyone else.

The link with county and state also saves cash dollars. New Jersey has a contract with the 3 M company, and by going through the state to acquire 3-M duplicating machines, Township and Borough each save the \$23 monthly basic charge—\$300 a year.

Furniture for offices, typewriters, automobile tires and tubes, oil and gas filters for cars and trucks are all cheaper through the state.

Two Times \$700. . . . So, now, are police cars. The Borough saved \$700 each on the two new cars ordered last August, and that's \$1,400 in any taxpayer's arithmetic. Mr. Nini estimates \$3,600 savings on the so-called "police packages" the heavy-duty cars required for patrol use. He quotes a figure of \$2,350 with no-trade in. The Township has paid more, with the trade.

The state's "open ended" purchasing law is so new, however, that the Township

had already taken delivery on its two newest cars before realizing that the savings were possible.

Of course, the municipality has the state contract. If it means a jaunt to south Jersey to save \$200, it might not be worth it, municipal officials feel.

Future? The gleam in Mr. Novak's eye is a computer, and he hopes Borough and Township would be interested in some timesharing.

Fuel oil is something else that might be cheaper in the large economy size. The schools need a lot of it. Municipal governments have municipal buildings to heat, plus garages and firehouses. Garbage collection on a

#### Business In Princeton

—Continued From Page 15  
Borough Township basis is the nearest possibility.

Accounting is vital, Mr. Novak, Mr. Ninn and Mr. Monney plan frequent talks to see what else is new, and who else has an idea for squeezing the dollar.

Accounting is probably the big problem in all this, Mr. Ninn points out. "Who's office does the accounting involved and do you split the bookkeeper's salary three ways and if so, how? Where do you keep the equipment? How do you share the purchase of jointly bought equipment, and—most important—who acts first call on that truck?"

#### BANK NAMES OFFICERS

Cosby Chairman, Straut President, Directors of the Princeton Bank and Trust Company have named William H. Cosby chairman of the board and chief executive officer. He will be succeeded as

**NEW BANK FOR HOPEWELL:** William B. Cosby, president of Princeton Bank and Trust, and Joseph Hill III, Mayor of Hopewell Borough, wield the first shovels to signal the start of a new Princeton Bank for Hopewell. Completion of the office is projected for early 1971. Also present at the groundbreaking are (from left): C. Barnwell Straut, the bank's executive vice-president; George Pearson, architect; Jack Davis, assistant treasurer and manager; Mr. Cosby and Mr. Hill; and John Secolovich, Richard Hall, and Charles Breggner, S. B. H. Builders.

president by C. Barnwell Straut.

Mr. Cosby, a graduate of Princeton University, Class of 1941, was previously with the First National City Bank of New York and the President National Bank of Philadelphia. Born in Alliance, Ohio, he is a 1938 graduate of Phillips Exeter Academy. Mr. Cosby joined Princeton Bank in 1962 as Assistant to the President, George R. Cook, III and became President one year later, when Mr. Cook was elected Chairman of the Board.

In addition to service in the United States Navy, Mr. Cosby has been active with civic, banking and business organizations. They include the Princeton Chamber of Commerce as a director, as a member of the executive committee of the New Jersey Bankers Association, President of the Princeton Chapter American Red Cross, director of the Princeton United Fund of Princeton Chapter, Recordings, for the Blind, and as a director of the Board of the Philadelphia Federal Reserve Bank. He lives with his wife at 45 Holland Road and has one son, Randy, who graduated this spring from Swimmer the University of the South, and is being inducted in to the Air Force.

Mr. Straut, who has been named President and Chief Administrative Officer of the 106-year-old bank, is also a graduate of Princeton University, Class of 1941. He joined Princeton Bank in 1966 after service as an officer of the World Bank. Mr. Straut lives with his family at 191 Galbreath Drive East.

#### THREE PROMOTED

At Opinion Research, Three former vice presidents at Opinion Research in Princeton have been named senior vice-presidents of the Corporation. They are: Timothy D. Ellard, Road and B. Mead, John R. Lashley, Cheryl V. Lashley, and Harry W. O'Neill, 2000 Walnut Avenue, Highland Park.

Mr. Ellard, who joined Opinion Research as a survey director in 1961 was promoted to research director the following year. He became a vice president in 1969. A specialist in consumer and industrial marketing research, Mr. Ellard holds an AB in social relations from Harvard College and an M.P.A. in statistics from the University of Pennsylvania. He will have charge of the consumer and industrial marketing research division in his new position.

Mr. Lashley has been vice president since 1970 after attending both Yale and Columbia Universities. In 1961, he assumed over all responsibility for personnel and production, and in 1968 was named a vice president. He is now

at the head of the corporate services division, including operating, accounting and personnel departments.

Mr. O'Neill started with Opinion Research as a survey director in 1962. Following his promotion to research director in 1964, he was named a vice president in 1969 and directed numerous studies of political issues and urban problems. Mr. O'Neill, who received his B.A. in psychology from Colgate University, and an M.S. from Pennsylvania State University along with doing graduate work at Rutgers will now be responsible for the opinion research division. This includes studies of community surveys, employee and financial relations, and public affairs and relations.

#### BRANCH BANK PLANNED

For Princeton Bank Offices, Ground has been broken for the construction of a new office for the Princeton Bank and Trust Company in Hopewell. The offices, scheduled for completion in early 1971, will be on East Broad Street, west of the Hopewell Savings and Loan Building.

In 1956 the Princeton Bank took over Hopewell National Bank. With the expansion of Hopewell Valley, the Princeton Bank opened another office for the Hopewell Township area in the Pennytown Shopping Center. The present Hopewell Bank building on Broad Street and Greenwood Avenue, occupied since 1910, will be offered for sale when the new offices are ready.

#### NEW UNIT FORMED

At Datafarm, Datafarm Corporation of Princeton has organized a separate unit whose sole function is research, development and actual production of a complete line of memory test equipment. This will include automatic memory core testers, plane and stack testers and complete memory system exercises.

Located on Route 296, Datafarm Corporation is a manufacturer of a complete line of computer memory products and testers. Testers currently being marketed by Datafarm represent a spin off of the company's original effort to create better testing systems for its own internal use.

The new test equipment group, however, has been created specifically to prepare a product line for the market. The group will be located in a new, 9000 square foot plant in Princeton Research Park, Richard Hill, Vice President of Engineering, has been given the responsibility of heading the new group, initiating operations and coordinating of the product line.

**Where do  
good ideas  
come from?**

Everyone is looking for good ideas. But where do you find them?

In Biblical times the prophets continually turned to God for their inspiration and direction. And good ideas invariably came.

Today Christian Science teaches that no one has a corner on good ideas, because God is the one infinite Mind of all of us.

In our Sunday School, children learn how to turn to God for right ideas, and to discover Him as the infinite source of intelligence. You're welcome to bring your young people to our Sunday School.

**SCHOLARSHIP AWARDED.**  
 To Princeton High Graduate.  
 A June graduate of Princeton High School, Nancy Stone, daughter of Mr. Raymond E. Stone and the late Dr. Stone, is the third recipient of an annual \$500 Student-to-Student Scholarship comprising contributions from Princeton University students, faculty, and staff.

Miss Stone is the first girl to receive the award which is renewable for four college years. With plans for a career in music teaching, she will be attending Catholic University of America, Washington, D.C. this fall.

Miss Stone has been active in a wide range of high school interests as a member of the student government, a cheerleader, a yearbook sports editor and a member of the girls' jaycee lacrosse team. She also belonged to the International Club, Pep Club, Leader Corps, first choir, madrigal singers and dramatics group.

This spring she was awarded the Gold Key Award for "all-around service" to the high school. In addition to the Student-to-Student award, Miss Stone was also the recipient of the Princeton Regional Educational Association Scholarship and was presented the first of the annual Zapolski Memorial Awards for "a joy in living and a strong sense of justice."

**LEAGUE URGES VOTERS**  
 To Register Now for Fall.  
 The League of Women Voters of the Princeton Area has begun its drive to register all eligible citizens for the November elections. The registration deadline is September 24.

Borough and Township residents may register in the clerk's office at their respective community halls, Mondays through Friday from 9 a.m. to 5 p.m.

To aid the process, the Mercer County Mobile Registration Unit will be at the Harrison Street Fire House next Wednesday, at the Princeton

**Lottery Draws Nearer**

Before 1970 is over, New Jersey's State lottery will go into weekly operation. Those who look forward to participation needn't worry about difficulty in purchasing tickets—1,000 sales points will be established at the outset, with the number eventually running to 3,000.

Proposed distribution centers range from taverns and liquor stores to supermarkets, department stores and transportation terminals. Tickets will be priced at 25 cents, with \$12,500 awarded in prizes following drawings held at least once a week.

Twenty district offices to supervise operations will be established. The management staff of 20 will have a combined annual salary of \$250,000, ranging from \$8,500 for office services to \$21,900 for four deputy directors and \$27,500 for director.

Junction Fire House on Thursday, August 27 and the Princeton Township Clerk's office also on the 27th. The hours on these dates will be from 6 p.m. to 8:30 p.m.

Eighteen to 20 year olds may register too, but they will not be able to vote in elections until after the first of the year when the Congressional franchise legislation goes into effect.

**STORM AREA GETS AID**  
 From Princeton Red Cross.  
 In the wake of destruction from Hurricane Celia, the Princeton Red Cross Chapter has joined the massive relief effort to aid storm victims. Through an extensive warning system and rapid evacuation to Red Cross shelters, only 32 deaths have so far been reported.

However, because over 15,000 families in the Texas coastal region still need Red Cross help, all supporting Chapters will receive a fund quota for their assistance. Preliminary figures show Red Cross relief and recovery will exceed \$6 million. The Princeton Chapter's share of the disaster appeal will be determined shortly.

**BUY A STICKER FOR \$1**  
 To Aid PHS Scholarship Fund.  
 Bumper stickers urging "A Dollar a Scholar" will soon be seen on automobiles around town, heralding the annual Princeton High School PTA Scholarship Fund magazine drive.

Dates for the actual subscription solicitation, which will be conducted again this year by PHS students, have been set for October 5 through 16. Mrs. William F. Besser is fund raising chairman and Mrs. Raymond F. Male heads the magazine drive.

The stickers, in Princeton High colors of blue and white, will be sold by high school students for \$1 each, at the Shopping Center, Palmer Square.

at football games, at the Freshman Parents meeting and at Back to School Night.

Purpose of the bumper strips is twofold, according to Mrs. Bester. They will help publicize the magazine drive and the proceeds from the sale of the stickers themselves will be used to augment the Scholar Ship Fund.

The magazine drive has for 20 years been the chief source of funds for PTA scholarship awards. Whereas in previous years the drive has been conducted by volunteer parents, last year for the first time the students themselves solicited the subscriptions. A student committee for this year's drive will be announced soon. Mrs. Male said.

Though the concentrated effort to raise scholarship funds takes place during October, Mrs. Bester pointed out that as a convenience for subscribers, late new orders and renewals are accepted through out the year at the High School office or through Mrs. D. J. Blatner, 924-2091.

**THREE ARE NAMED**  
To Leukemia Chapter Pinks. There are women have taken new posts in the Mercer-Hill disease Unit of the Southern New Jersey Chapter of the Leukemia Society of America, Inc.

Mrs. Janet Everett, Berrien Avenue, Princeton Junction, will be the Unit president, Mrs. Denise Reid, 20 Westcott Road, will serve on the Chapter Board while continuing as Vice and Requests coordinator; and Mrs. Joan P. Farrell, 8 Canoe Mark Drive, Princeton Junction, will act as Chapter Corporate Delegate to the annual meeting held in the fall.

**V PLANS SWIM CLASS**  
For Non-Swimming Women. A concentrated program solely for women non-swimmers is being planned for a fall term to swim campaign. Each month from 9:30 to 11:30, September 14 through 10, the Red Cross and the YWCA will sponsor a beginners swimming course at the Y pool.

Registration is being accepted by September 11. Participants will be able to participate's children from one through four years of age for a small charge.

**School Aides Named**  
Ten Princeton residents have been selected by the Princeton public schools to be Classroom Aides on a new Federally-funded program announced earlier this month.

The new Aides are Mrs. Mary Bartolino, Mrs. Florence Broadway, Mrs. Kathleen Johnson, Miss Cecilia Mele, Mrs. Hester Phox, Mrs. Helen Purnell, Miss Melina Russ, Mrs. A. Ann Thomas, Mrs. Barbara White and Paul Wooten.

More than 50 candidates applied for the jobs, according to Mrs. Ruth Randall, their coordinator of the program for the Princeton Regional Schools, and Stanley J. Stein, the schools' personnel man.

The full-time Aides will work in Middle-School classrooms assisting teachers; part-time Aides will be assigned to help teachers, but to give boys and girls from minority groups an adult they can look up to.

**MEMORIAL AWARDS SET**  
To Honor Hospital Services. The Gerard B. Lambert Awards Committee has established 13 awards to honor improvement of hospital care and service in memory of the late Gerard B. Lambert, humanitarian and philanthropist.

Members of the sponsoring committee, J. Richardson Dilworth, George Gallup, and Mrs. Gerard B. Lambert will present the 1970 Awards early in December at an awards dinner at Mrs. Lambert's home. First honor will be \$3,500; the second, \$1,000; third, \$1,000 and 10 plaques will be given for special recognition.

Commenting on the awards, Mrs. Lambert said, "I have been seeking for some time a suitable memorial for my husband, whose life was dedicated to improving the lot of the average American citizen."

"The members of the Sponsoring Committee... and I are distressed by today's enormous hospital costs, and we have determined to encourage those persons and organizations in the country who are striving to help make hospitals even more patient centered, so that patients are provided with the right bed and the right services at the right time—with a hospital bill that the average American can afford to pay."

**OFFICERS ELECTED**  
For Association Chapter. The following officers and directors have been elected for the Princeton Chapter of the National Association of Accountants: William J. O'Brien, president; H. Lester Bower, Henry B. Jansen, Leonard D. Doherty, vice presidents; Dennis W. Fretz, secretary; Roscoe V. Rous, treasurer; Donald P. Tennis, communications; Fredrick K. Larkle, educational and special activities; Joseph Cantura, manuscripts; John Galusha, meetings; Robert Kramer, member attendance; Harrison Cottingham, membership; Martin H. Becker, member relations; George Dickson, program; and Henry B. Johnson, public relations.

# A Few Potentially Great Sophomores in Unbeaten Class of '73

(This is the second in a series of four articles on the prospects of Princeton University's football team in 1973.)

In each of the past two seasons, only one sophomore has won a starting position at Princeton for the opening football game against Rutgers — John Hess as a cornerback in 1968 and Steve Sikora, a defensive end last fall. Has the Class of 1973, which compiled a fine 5-0-1 record, the ability to improve on that showing?

With all the sorting out of individual ability which will begin late next week at Blairtown, the early answer is "probably, but not by much." The transition from freshman to varsity football is extreme, and in most cases, a reserve who has seen only limited action will get the nod on a sophomore purely on the basis of previous experience.

As the depth chart exists today for Princeton football 1973, sophomores can logically be considered in the running for as many as seven positions — based either on their own unusual potential or a wholesale departure of graduated seniors. These would include, on offense, split end, quarterback and fullback, and, on defense, the end opposite Sikora, both defensive tackle berths and one job at corner back.

It would, however, be a sign of serious weakness on the part of the varsity holdovers if it became necessary to start anything close to six or seven sophomores in the first three games — two of which will determine much of the fate of the Tigers' 1973 season when they face top opposition from Rutgers and Dartmouth. A logical estimate is that possibly three sophomores may be in the opening day lineup — matching the picture in 1967, when Ellis Moore opened at fullback and Tom Hutchinson and Keith Mauney had their respective assignments at defensive end and deep safety.

A Look at the 1969 List. Each spring the Tiger coaching staff singles out a number of players who are expected to make major contributions to varsity play well before they graduate. Despite

**POSSIBLE SOPHOMORE STARTER:** Carl Barsich, 245-lb. defensive tackle, may fill one of the places left vacant by the graduated Tom Hutchinson and John Hess.

their performance in half a dozen games and a second look on film, the selection is not easy — accuracy generally runs around 70%.

That was the case with last year's top crop — seven have futures ranging from good to excellent; three (one because of injuries) are no longer on the squad.

On offense, contributions by the Class of 1972 were almost entirely in the backfield. Halfback Hank Bjorklund took over for Brian McCullough when the latter was hurt and helped break the Dartmouth game open when he scored three touchdowns.

Rod Plummer understudied Scott MacBean and Arnie Hottelberg at quarterback, played a lot of jayvee ball, and is the top choice to become the regular at the signal-calling slot this year. Mike Luger was increasingly used at fullback when Captain Ellis Moore was slowed by an incipient hernia. Likewise gifted as a defensive back, Luger will be switched to bolster the secondary there this season.

Emil Deliere, a promising running guard, saw considerable duty as the backup for Mike Guerin and is the probable starter there in 1970.

John O'Donovan spelled Bob Hess at defensive tackle and has a shot at moving up this fall.

As mentioned earlier, Steve Sikora was the only member of his class to start all nine games last year and is now an established top grade defensive end. Phil Barbaccia, the backup man for Art Ellis at middle guard, also has a fine future off his first year on the varsity.

Three others are gone — John Holden, whose promising career as a defensive end has been cut short by injuries; Charlie Rosachi and Jeff Smith. The latter two were offensive tackles.

The Class of 1970 defeated five teams: Cornell, 21-12; Rutgers, 35-21; Penn, 27-14; Harvard, 23-12; and Yale, 39-24. It was tied by Columbia, 28-28, thus compiling a record of never scoring less than three touchdowns and yet always yielding at least two.

In an era when freshmen teams are 15 to 20 pounds heavier than they were a quarter-century ago, this was not a big squad physically. Its ability, however, was marked and its personnel, blended with the two upper classes, should keep the Tigers in a contending position for the 1970 Ivy title through out the season.

By position, these are the sophomores to watch for this fall:

Tackles: The two top linemen on last year's freshmen

will be particularly welcome additions to the 1970 varsity, because the tackle slots were so hard hit by graduation on both sides of the line. With both starting defensive tackles lost, Carl Barsich (6-1, 245) has as good a chance as any member of his class to break into the starting lineup. A top player last fall, he has marked ability.

Jeff Bartosiewicz (6-2, 225) will have to dislodge senior letterman John Roegge to win a starter's berth, but seems sure to see heavy duty on offense in any case. He has fine blocking ability.

Quarterbacks: If Jake McCandless must develop an experienced player at this position, at least he has three of promise with whom to work. In addition to varsity holdover Rod Plummer, a junior, two good sophomores will go to Blairtown — Tim Testerman (6-1, 174) and John Lovvick (6-1, 187).

Possibly the best ball handler of the trio, Testerman was the starter on the 1969 freshmen, throwing well both short and long. Against Cornell, he faked so adeptly on one play that a hack drove into the line and the referee shrilled his whistle when he was tackled. Meanwhile, a dozen yards downfield, the halfback who had swept a round end with the ball Testerman had slipped him had to stop running because a completely fooled official had already blown the play.

play he saw dead. Testerman was hurt mid way through the season and his place was taken by Lovejoy in a manner which demonstrated his ability to step into a pressure-packed situation. While the starting assignment will be an even greater threat to the outside, where his speed and range field ability are already extreme.

**Fullback:** For anyone who saw most of the freshman games last fall, it is difficult not to go overboard on Bill Early. He blazes well, runs with great authority through the middle but is an even greater threat to the outside, where his speed and range field ability are already extreme.

The belief here is that by the time he graduates, he will be ranked as a better fullback than Corno Laccazi, currently the top all time player at Princeton in that position. As a freshman, Early earned Laccazi's record of seven TDs in one season by scoring 10; against the Yale freshman, he ran for the eye popping total of 289 yards — more than an entire team effort records in a winning performance.

**Pep McCarthy,** his fresh man coach, and Jake McCandless confirm that all Princeton players at the outset of his sophomore year exceeds that of any Princeton player in a decade or more. For the next three seasons, Tiger fans should spend many — fascinating Saturday afternoon watching the Early Bird.

**Defensive End:** Steve Hausmann already has Jake McCandless' nod as a player of well above average potential. He caught my eye as much as any player I saw in the game films on the fresh men's, Tiger couch comments.

Hausmann is a 6'1, 190 lb. graduate of the Pingry School in Elizabeth. He's currently listed behind Steve Sikora; if he stays there, the position will be very well covered for, but a position switch could be effected if none of the inexperienced players makes it on the right side of the line.

**Middle Guard:** A strong prospect here, Joe Parsons, who captained the Class of

**WORTH WATCHING:** Sophomore fullback Bill Early has the potential to become one of the top players in Princeton football history.

73 and called defensive signals Six feet, 195 pounds, Parsons may be the back up man for Art Ellis, allowing junior Phil Barbozza to lend his solid talents to one of the other linchpin berths where a vacancy exists.

**Linebacker:** Tom Barhai played as a linebacker last fall and has the coach's nod as a possible defensive tackle, a spot where the Tigers will be vulnerable until new guard material is developed. Barhai comes from football tough territory in Pennsylvania (Monessen), where he saw action as a center, tackle and linebacker.

His scholastic career was marked by honorable mention on the All American lists. He stands 6'1, weighs 206.

Somewhat surprisingly, on by these eight players on an undefeated team have been singled out as top sophomores. As much as anything else, it is an indication of the overall balance in the class.

As the season develops, other names unlisted in pre-season evaluation will surface as Pete Boyle did a year ago. Not included in the list of 10 top sophomores in 1969, he developed rapidly enough so that he broke into the starting lineup in mid-season after first coming into prominence with an All PCAC selection based on a fine game against Cornell.

**CONTE'S TAKES FIRST**  
In Adult Softball. With a 14-6 victory over Teague and Hands, Conte's Bar clinched first place in the Adult Softball League last week.

The big blow was a grand slam home run by Scott Anderson in the fifth inning. Doug Watson has a four bagger in the third and Ray Crans-ton contributed three hits for the winners. Al Gerdon hit a two-run homer for Teague's in the sixth.

Conte's won again Wednesday night, defeating the Outlaws, 5-3. Doug Watson contributed three hits for Conte's, while Rich Volz had a triple and scored twice for the Outlaws. In a play for third place, Ivy Inn defeated Varsity sport, 10-2, scoring seven runs in the first inning. Tony Pirone weighed in with four doubles. Russ Perene had three hits and Dick McCloskey was the winning pitcher. Sam Procaem had four hits for Varsity. Nassau Conover ended up in fourth place.

Nassau Conover also picked up a pair of wins. On Monday Conover knocked off Ivy Inn, 10-7, with Tony Bocanassa going four for four, and Wednesday, it nipped Varsity Sport, 7-6 in nine innings.

Mike Desmons drove in John Myers with the winning run. Myers had three hits for the night and Frank Zolovino, four.

Varsity outslugged Harrison Athletic Club, 10-7, with both Jerry Perpetua and Sam Procaem getting three hits. IIA C lost its second game of the week to Teagues, 13-7. Bob Boiley and Al Terry had home runs and Cap Grossland went four for four for Teague's.

**NO. 3 TAKES TITLE**

In PYA Junior Baseball. A 22-0 rout of the Elks sewed up the championship of the PYA Junior League. Division for Mercer Engine Co. No. 3 last week, as it ended the season with a fine 131 mark. Mike Boonin was the winning pitcher.

Rounding out a successful week, No. 3 also knocked off the Eagles, 9-3, on the strength of a two hitter by Mike Barreth, who fanned 14 along the route. Bob McHugh, Boonin, Tyke Davidson and Barren led the winners at the plate. Losing pitcher Dan Nini struck out eight, while a bases loaded triple by Jim Lennon accounted for all the Eagles runs.

Post 76 also won a pair to bring its mark for the season to half of the season to 7-0, but could not catch No. 3, and ended in second place with an 11-3 record. In the first game, Chris Leeper outpitched Jim LaPlaca of Engine Co. No. 1 to earn a 3-1 decision. Ken Chace had a three bagger and Jeff Bartolomeo, two hits, for

Post 76, the only hits LaPlaca, Leaper hit a home run and Bill Crane went three for three to lead the attack. Losing pitcher John Silverman, John McCarthy and Dana Nino collected hits for the Eagles.

Roma Eterna found out how to win a game—show up with enough players and hope the ladder couldn't last week, with many of its players on vacation, and Roma won its first game of the season. However, in its other game IASC did have enough men, and won, 3-2, from Roma on a two-hitter by John Perone. Pat King had a homer and Jeff Petrone a triple for the winners.

IASC also won a forfeited game, when Engine Co. No. 1 could not field enough players. Hook & Ladder blanked the Elks, 2-0, with Nohman El Meigh the winning pitcher. Warren and Lewis Davis combined to drive in both Hook & Ladder runs.

## FOUR TEAMS TIE

In PYBA Senior Division. The final standings of the senior division of the Princeton Youth Baseball Association produced no winners and no losers, just one big deadlock among the four teams involved. PBA, Princeton Bank and Trust, New York Life and Thorne's all ended with 6-6 marks.

The tie came about when New York Life beat PBA twice August 2, 6-1, and 4-1. Breedy Boccanfuso won the first game, aided by a triple by Steve Kopp, and Tom Stange fired a one-hitter in the second.

Then, last Wednesday, PBA regrouped to nip Thorne's, 9-8, with John Mooney the winning pitcher. Greg Kike had a double for Thorne's. However, New York Life, which had a chance to win it all, dropped a 7-1 decision to Princeton Bank. John Videbeck threw a one-hitter for the bank, while Boccanfuso was tagged with the loss. Dan Coluccio had three of PB&T's seven hits, including a double and a triple. New York Life contributed to its own downfall by committing 10 errors.

## WINNERS LISTED

In YMCA Tennis Tournaments. The YMCA Community summer tennis championships ended as the mixed doubles was won by Janet DeGrouchy and her son, David Tomlinson, over Bill Humes and Linda Corlette, 6-2, 6-1.

These matches concluded one of the most popular of all YMCA Community tournaments. In the Women's Singles, won by Carla Gaiser, there were 37 entrants. The Women's Doubles won by Carla Gaiser and Sue DeMichele of Trenton over Betty and Mary LaLands of Princeton, had 32 teams entered; the Men's Singles, won by Ram Ramnath over Steve Labovsky, had 102 entries; the Men's Doubles, won by Ram Ramnath and Alden Dunham over Mattland Jones and Pavy Fraker, had 29 teams entered. Consolation winners in the Women's Doubles were Laura Goldfeld and Barbara Bernstein.

John Springer, YMCA Physical Director, was the tennis coordinator. The tennis committee consisted of John Bauman, Mrs. Julie White and Mrs. Linda Corlette.

## TWO FROM HERE WIN

In Allentown Tennis. Terry Blake and Vicki Austin walked away from the Lehigh Valley District Junior Championships as top performers in a week of play in the Allentown, Pa., U.S.L.T.A.-sanctioned championship.

Terry was a finalist in the 16 and under singles, where she first eliminated three other Princeton girls — Randy Gulick, Sheri Baumer, and Vicki Austin before coming up against Jan Bloodworth of Pipersville, Pa. in a close match, 2-6, 6-2, 1-6.

Vicki Austin and Jan Bloodworth then teamed to win the doubles where they emerged the victors against Nancy Peters and Marcia Breittenger of Allentown, 6-4, 9-7. On their way to the finals, they also eliminated another Princeton area contestant, Mary Ellen Hurst, whose partner was Con-

## Three Ex-Tigers Still Around, One Gone

Of Princeton's four alumni trying to win places on professional football teams, three have survived the cuts so far, one has not.

The first casualty was Keith Mauney, an All-Val defensive back for two seasons. Drafted last winter by the Atlanta Falcons, he was cut from their squad last week.

Ris classmate, Bob Hewes, is still among the active members of the Kansas City Chiefs, although he did not get into Friday's game with the Baltimore Colts. Hewes is a 6-6, 200-lb. defensive tackle seeking to win a backup job with the Super Bowl champions.

Tim McCann '68 is a defensive tackle with the New York Giants, hoping to stick this fall after a year spent primarily with the Giants' farm team, the Long Island Bulls. If he survives the next couple of squad reductions, he will be with the New Yorkers when they play the Philadelphia Eagles on September 5 in Palmer Stadium.

Charlie Gogolak, who began his career with the Washington Redskins, was little used by Vince Lombardi during the 1969 season and later was traded to the Denver Broncos. Gogolak, a native of Hungary, is battling two other soccer site bootlers for the Denver placekicking job — a Norwegian skiing star and a British Army corporal.

**STATE RECORD SET**  
 By Princeton Summer.  
 Beaver O'Hara led a contingent of swimmers from the Princeton YM YWCA through a successful appearance at the Junior Olympic Finals last weekend, setting one state record, for his age group and barely missing another.  
 Capturing the 30 meter freestyle for boys 10 and under with a time of 31.7 seconds, Beaver broke the New Jersey record and missed the national age record by only 1.1 seconds. He also won the 10 and under 100 meter freestyle in 1:28, only 3 seconds off the state mark.  
 In the 100 meter breaststroke for boys 13-14, Pete Maneri and Chuck Hector finished first and second, respectively. Their winning time was 1:21.3. Dave Mancino placed second in two 13-14 age group events, in the 100 meter butterfly (1:10) and the 100 meter freestyle (1:18.3).  
 Haywood Miller placed third in the 11-12 100 meter breaststroke with a time of 1:33.5. Mike Martin placed second in the 15-17 200 meter breaststroke with a time of 2:57.5.  
 The relay team of Tom Bolter, Bobby Hays, Beaver O'Hara and Matt Strickland placed fourth in both the mixed relay and relay relay for the 16 and under boys. A 13-14 boys team of Mike Reuck, Pete Maneri, Chuck Hector and Dave Mancino placed second in both relays.  
 Mary Bolster and Carrie Butler were the only double qualifiers for the Princeton girls. Mary placed fifth in both the 20 meter freestyle for 10 under girls with a time of 38.6 seconds, and in the 100 meter freestyle with a time of 1:26.3. Carrie Bolster placed fifth in both the 400 meter freestyle and the 200 meter freestyle for 15-17 girls. DeDee O'Hara placed second in the 11-12 200 meter freestyle with a time of 2:42.6. Carol Wagner took third place in the 11-12 100 meter breaststroke with a time of 1:36.9. The 10 and under Girls Medley Relay Team of Mary Lee Donatz, Libby Kappes, Marianne Mancino, and Gretchen Wundel placed sixth, while the same four girls Freestyle Relay Team took a fifth place. The team of Martha Kinney, Carol McGrath, DeDee O'Hara, and Carol Wagner placed fourth in both the Medley and Freestyle Relays for girls 11-12 years old.

**TENNIS AFTER SCHOOL**  
 To start in September, The YMCA and Princeton Recreation Department will sponsor a series of tournaments for Princeton's junior tennis players, beginning the week of September 8. Separate divisions for boys and girls 16 and under, 14 and under, and 12 and under are planned.  
 The 16 and under divisions will start Tuesday, September 8, at 3:30 at Community Park.

**Football Tickets Available**

While all \$8 tickets for the Giants Eagles football game here on September 8 are gone, there are still seats available at \$4 and \$6. For a two week period in July, there was some belief that the disagreement between the owners and the Players' Association might result in cancellation of exhibition contests, but the full schedule of games was announced and the 1970 game is expected to follow its predecessor as a sell-out.  
 Tickets may be purchased through the Jaycees by calling 324 0180 or by writing the Jaycees Football Office, P.O. Box 462, Princeton. There is a 50 cent handling charge per seat.  
 In the past eight years, net proceeds for charity have topped \$125 million. Numerous Princeton welfare organizations and non-profit institutions have benefited.

Courts. The 14's will commence Monday, September 14, and 12's, the week of September 21, also at 3:30.

Entry blanks may be obtained from the YMCA, the Recreation office in Township Hall, Varsity Sport Shop, or any of the school tennis coaches. Varsity Sport Shop is donating all trophies for the tournaments.

No entry fee is required, but each contestant must bring a can of new balls. The losers of each match keep the used can of balls and the winner the new can, which he takes to his next scheduled match.  
 Further information is available from John Springer at the YMCA or Don Barr at the Recreation office.

**WWHH WIDENS COVERAGE**  
 For Fall Sports Program. Radio station WWHH has new listings in its sports program for this fall. In addition to Eagles Football and Princeton University Football, the station will again carry New York Knicks Basketball, and add New York Rangers Hockey and Army Football.

WWHH will also broadcast 18 pre-season as well as regular football games including the Jaycee Classic with the Giants at Palmer Stadium on September 8. When Army Football, beginning September 12, conflicts with Princeton Tigers home action, the former will be delayed broadcasts presented immediately following the Princeton game.

**BEDENS BEATS RAVINE**  
 In Swim Team Competition. Giving a new boost to its near perfect record, Bedens Brook swim team drowned the Ravine Swim Club 67-51 to record an 81 season mark.  
 Bedens Brook again proved its strength in the younger age groups as it outscored Ravine in the 12 and under age groups by 39-15. This margin was sufficient for the victory for Bedens in the individual events and, with a split in the four relay events, Bedens Brook maintained its lead.

### TASK FORCES AT WORK

**For Princeton Youth.** Six task forces, formed to assist Princeton young people, have given informal progress reports to the Rev. William Kight, minister to youth for the Princeton Presbyterian Commission.

The Halfway House Task Force, headed by Mr. and Mrs. Burnett Sams, has visited residential youth centers in Trenton and elsewhere. It is collecting data on such centers throughout the country. This Tuesday, the group at Princeton is giving a presentation by United Progress, Inc. for Trenton youth.

The Legislative and Judicial Reform Task Force, headed by the Rev. William Kight, is meeting at Princeton Seminary, will attend the public hearing this Thursday evening of the New Jersey Senate sub-committee now reviewing the state narcotics statute.

The Institutional Visitation Task Force, led by Dr. Diogenes Allen of the Seminary, is at work on visits to Princeton youth held in detention centers and jails, with the aim of establishing a corps of adults with whom the youth can relate upon release.

The Hot Line Task Force, with Mrs. Nancy Nelson as convener, has compiled a considerable amount of information on the number in which other communities conduct an emergency phone number that would be available at all times. The force is now dealing with the mechanics of establishing a Princeton hotline, with November as the target date.

Institutional Liaison Task Force, headed by Leslie V. ("Bud") Vician, is researching the services of existing youth programs. The compiled list is expected to coordinate programs and eliminate duplication.

**Emergency Needs Task Force,** chaired by Mrs. Betty Irish, is gathering teen-ager clothing in good condition and temporarily storing it at First Presbyterian Church. Food for emergency needs is stored on a temporary basis at St. Andrew's Church. The force is also soliciting funds for emergency needs. The money is deposited in the Kight Fund maintained by the Presbyterian Commission.

Students are needed on all of the task forces. Further information may be obtained from the chairman or from the Rev. Mr. Kight, 924-0977. A general meeting of the task forces will be held in the early fall.

### Golfers Take Note

The annual hole-in-one contest sponsored by the Princeton's Benevolent Association Local 130 is set for Sunday, August 30, from 10 to 6 at the Sorinella Practice Range on Lower Sprinagle Road. Rain date is September 6.

Participants will be shooting for a first prize of a color television set, awarded to the player with the shot closest to the hole. Other prizes will also be awarded.

Participants are \$1 for two shots, and can be purchased from any Borough or Township policeman or at the contest itself. The funds will be used to support PSA sponsored projects such as the baseball league and the rifle program.

July 17 will determine his age bracket for the competition.

Again this year there will be an "A" and "B" division, with the "A" division being the top three players and the "B" division being the next three players. Ribbons will be awarded to fourth and fifth place winners. The top three players in each division will be given to first, second and third place winners. The top three players in each division will be given to first, second and third place winners. The top three players in each division will be given to first, second and third place winners.

### TENNIS AT BEDENS BROOK

**With Silver Cup Boys Squad.** The Princeton Tennis Club will host Friday for a return match with boys from the Community Tennis Program's Silver Cup squad.

Playing for Bedens Brook, under the direction of Coach Bill Humes, were Bob Burchfield, Jeff Lyle, Mark Blaxill, David Hargrave, Chris Burchfield, Andre Eichenberger, Fred Corbin, Chuck Kohli and Kevin Kane.

Representing the Community Tennis Club were Mitchell Barry, Alan Aronovic, Dan Aronovic, Grayson Ferrents, Adam Cleff, Alan Hackney, Fred Berkelhammer and Chris Miller.

Sue Davis, a Teaching Assistant in the Community Tennis Program this year, supervised the players from the Silver Cup Squad. Bedens Brook plans to invite the Silver Cup girls for a similar exchange match.

### IVY INN VICTOR

**In County Softball.** Four straight victories gave Ivy Inn of Princeton the Mercer County Park Commission B Division Softball Tournament championship for 1970. The winners defeated the Princeton Community Softball team of Trenton in the final round Monday night in Trenton, 10 to 8. The game was a pitchers' duel, with winning pitcher in all four games. Against Hilbert, he was backed by a pair of home runs by Tony Petro and two hits from the bat of Jim Case, one of them a homer.

Persons compiled a four game average of 250 Case, who hit 700 and starred at shortstop for Ivy Inn, was named as the tournament's most valuable player.

## FIVE BEDROOM PRINCETON HOUSE

Located in the Littlebrook school district on over 3/4 acre tree lot, this six year old home is available for immediate occupancy. The living room with fireplace, separate dining room, kitchen with new sliding doors to a private deck patio, and positively enormous family room provide plenty of living space for both parents and children. \$68,500

## INCOME PROPERTY OPPORTUNITY

Now listing Two attractive apartments, one with two bedrooms, the other with 4 bedrooms, bring in \$5,160 per year. Tenants pay electric, gas and heat. In Lawrenceville, near Princeton, on bus line. Also, suitable for professional office (lawyer, dentist, architect, etc.) or home occupation. New grounds, town sewer and water. \$13,500

## YOU HAVE A CHOICE

Two town houses newly on the market. Both are in the village of Hopewell and have three bedrooms. One is on a quiet street near the school, surrounded by a large tree-shaded yard \$21,000. The second house features a separate den and a fireplace in the living room. \$25,000

This charming home is ideal for the New York commuter, as it is located only a half mile from the PRI station, on a quiet low traffic street in Penns Neck. The house is a three bedroom ranch with two full baths, kitchen-family room combination, living room with fireplace, and a dining room with French doors opening onto a large screened porch which is shaded by three tall Chinese elms. These trees provide such privacy that summer dinners on the porch would be a real pleasure. Come and see this one before it goes, as it will not be available for long. \$39,900

## PRINCETON — ENGLISH TUDOR

An older house on a quiet street in a good residential section of the Township. 3 bedrooms with space for more on third floor. Living room with fireplace and formal dining room. Oversized lot with a 2 car detached garage. \$15,000

IN TROUBLED TIMES, AMERICANS have always looked to the land. Consider this beautiful two story ranch house on over nine acres with nice swimming pool and horse barn. There is living room, dining room, fine study with fireplace, kitchen, glassed porch, patio, three bedrooms and three baths. \$66,500

## BRAND NEW LISTING

A willow tree in front sways softly and gently in the summer breezes. The house nestles among pine, fir, spruce and many other specimen shrubs and trees. All surrounded by a lawn of velvet, green grass. A quiet, lovely setting to see a family grow in.

Inside room after family useful room unfolds with warmth and convenience. Family closeness, but privacy when needed. A fireplace, bedroom (4 or 5), bath (3), central air conditioning, extra hot water (for long, hot showers), a huge paneled/book case den-family room, big windows looking out on trees and grass and fields and woods beyond. Storage-storage-storage-inside and out! A grand patio, a fall out/bomb shelter, and a 20'x40' heated swimming pool with its own landscaped terrace enclosed with a natural wood fence for privacy. All surrounded by fields and woods for miles of children running and playing away from streets.

A great location very near Princeton (with Princeton Phone and Address).

## SPLENDEROUS

Ivy, stone, and Gothic architecture create an estate of casual elegance. In town on 1 1/2 acres. It's 20 rooms in 14 5 fireplaces, warm friendly paneled, library, billiard room or den, sunny sitting room, dining room and a grandiose center hall.

The kitchen wing includes a pantry, family room and powder room. On the 2nd floor there are 3 large bed rooms, 3 baths and several fireplaces; also, 3 smaller bedrooms and 1 bath. 4 rooms and bath on the 3rd floor.

The pool is attractive and nestled nicely among the perennials. There is a raised terrace overlooking all this.

Several garages, many trees of course, a circular drive, even more room for a tennis court if that's an absolute must. This property has all ways been well maintained and is a Princeton showplace.

We feel a bit like an adoption agency in offering this lovely house because we've known the family since the handsome colonial was born. We remember the painful planning with center hall, (flagstone floored) well proportioned living room, (fireplace) dining room, modern kitchen, study and family room, (fireplace and doors to deck). With four large bedrooms, 2 1/2 baths as well as full basement (1 1/2 bath) and two car garage on a wonderful wooded lot, it's a sensation at \$85,000
